Church Growth in the New Testament #2

FEAR

Because of the unusual circumstances surrounding the establishment of the church, many of the early disciples in Jerusalem found themselves in need. To help provide assistance for these needy brethren, Christians who were able sold possessions and brought the money to the apostles to distribute to those who had need (Acts 4:32-37). During this time, Ananias and Sapphira sold some property and brought part of the proceeds to the apostles while portraying it as though it were the whole amount of the sale (Acts 5:1-3). Peter explained the gravity of their sin: “*You have not lied to men but to God*” (Acts 5:5). As a result of their sin, Ananias and Sapphira were struck down by the Lord.

Following these things, “*great fear came over the whole church, and over all who heard of these things*” (Acts 5:11). Many people have the mentality today that something like

this would scare people off. Certainly people would leave the church over the divine discipline that was carried out. And surely those who were not Christians would be turned off from the Lord's church. That is what many believe happens today. But after "great fear" came, then "all the more believers in the Lord, multitudes of men and women, were constantly added to their number" (Acts 5:14). When people fear the Lord, they realize the pressing need to come to obedience to Him. "It is a terrifying thing to fall into the hands of the living God" (Hebrews 10:31). Those who do not fear the Lord will be turned away from the strict and demanding nature of discipleship. But those who do fear Him will come to Him. Thus, the fear of the Lord will cause the church to grow.

OPEN EXAMINATION OF SCRIPTURE

Paul came to Thessalonica and preached the gospel there (Acts 17:1-3). As a result of preaching to the Jews in the synagogue, "some of them were persuaded" (Acts 17:4). After the unbelieving Jews, in their jealousy, caused a riot and ran Paul out of town, he came to Berea (Acts 17:10). Again, Paul first went to the synagogue of the Jews. Luke wrote, "These were more noble-minded than those in Thessalonica, for they received the word with great eagerness, examining the Scriptures daily to see whether these things were so" (Acts 17:11). They wanted to know what the truth was. Therefore, they looked into the word of truth. As a result of this, "many of them believed" (Acts 17:12). Before, only "some" believed. This time, "many" believed. What was the difference? In Berea, they openly examined the Scriptures. This is important because God's word is what is right. As mere men, we can be wrong. Therefore, anytime we study or teach the Bible, we need to do so with an open Bible. Also, anytime someone teaches us anything in religion, we need to examine what is taught against Scripture. If it is found to be the truth, we will have become convinced of that and gladly accept it. Those who are honest and sincere will accept the truth when they understand it. That is why we need to open the Scriptures and show why we believe, teach, and practice the things we do. The church will grow as a result of this open examination of God's word.
